

SCOV Stained Glass / Fused Glass Club
Board Meeting
October 21, 2021

Present: Jo Anne Bowman-President, Dan Stasi-Secretary, Bob Knight-Website, Carolyn Beamer-Treasurer, Ellen Jordano-Studio Manager

Minutes: None

Treasurer report: None

Bob Knight reported on the website. A discussion on an alternate scheduling system was discussed. The existing system will continue. The 2021 calendar was added. A list of molds has been updated. Signup for classes is online in signup genius.

Artisan Center Renovation Task Force update. The task force continues to meet. A rough projection is 2024-2025 at the earliest.

Masks and studio scheduling. Eight members is still not a problem. Masks for classes are at the discretion of the instructor.

New Business

New Intro to Stained Glass Classes will be 3 days instead of 5. The goal is one class per week. Offer safety training every month. The two ring saws have been refurbished. One with a thinner blade. 3 kilns are working now. We are looking for additional kiln space. A computer tablet has been donated for monitors to use. It is available in the monitor cabinet.

December meeting and Holiday Party. Dan will investigate available dates.

Spring Fling March 10, 2022. 6pm-8pm Catalina Vista

Nominating Committee volunteers sought. President position is open.

Dan Stasi moved that the club purchase a small Morton Board System. Ellen Jordano seconded. Motion passed.

Storage issues: More shelf space is needed.

The idea of the club selling clear fused glass was discussed. It will be a convenience for the members and produce a small bit of revenue for the club. A storage cabinet will need to be built. The Board approved funds to build the box and buy the glass to sell.
