

Did You Know

We encourage new members who have just learned the art of glass to come to the studio during monitored times to get further guidance and help in doing their next projects. We have monitors on Tuesday, Wed, and Thursday mornings.

Fused Glass monitors are available on **Tuesday** and **Thursday** from 9 to 12:00 am. But anyone can come into the studio at those times to work it's not just fusers.

Stained Glass monitors are available on **Wednesday** 9 to 12:00 am. to help with those who are working on **Stained Glass projects**, again anyone can work in the studio during that time.

We have a few monitors who can help with both Stained and Fused projects. Check the monthly schedule of monitors on the board next to the door for a list of Monitors. A monitor list is also attached. Please keep for future reference.

You will receive a monthly calendar of events. Be aware that often when a class or workshop is in progress the studio will be closed. Please respect the "Closed" sign and not enter the studio during a class.

Don't forget to use signup Genius when coming down to the studio to work or signing up for classes.
