

There's so much to learn about working with glass and so much to remember. We thought some refreshers might be useful.

DID YOU KNOW

We have room for 8 members to work in the studio at one time. Two members per each side of a table. Sometimes we have a tendency to spread out beyond our allotted space. Please make sure that everyone has an equal amount of space to work. So, if someone comes in make sure you move your glass over to make room for them.

If someone is working on a large stained-glass window, please be aware that they may need one full side of a table.
