

General Meeting

December 5, 2019

Jo Anne opened the meeting at 5:40 PM welcoming everyone and thanking Addie May and her crew of helpers for the lovely dinner arrangements.

Debbie Brown announced that we had 168 members and renewal will begin in January with the dues remaining the same.

Laura Suchocki read the minutes and they were approved.

Jo Anne then talked about old business. The LRP presentation showed a footprint of the drawing that was drawn by our committee for looking at ways to create space for the club. The drawing was almost identical to the one presented by Ron Sanford, Mary Sherwood and Georgene Porter.

Everyone wants more space and we are on the list. In the meantime, the board met and made some changes to the room with some help from the Association.

With new mold shelving, thanks go out to Byron, Juliet Williams and Deb Wehrung for the help to renumber and any photos that needed to be added to the catalog.

Thank was given to outgoing member of the board and also thanks to some new monitors.

The board was presented: President, Jo Anne Bowman Vice President, Sue Watkins Secretary, Lisa Schulz Treasurer, Debbie Brown and Studio Manager Nancy Jarvis.

The subject of another contest this year was brought up and approved by the group.

The annual ornament exchange was held and then bingo followed by a raffle.

The meeting was closed at 6:45 PM
