

What's up in October 2023

Description of classes and Events this month:

Note: If the class that you want to sign up for is full, come by the studio and sign up on a waiting list for the class. If we have a cancellation, you will be notified. If there is enough interest, we will try to setup an additional class.

S.W Art Glass Pickup: Please double check when picking up your glass order. Perhaps by bringing your invoice and checking that the items correspond.

October 6th 10 to 12

Ring Saw Class Limit 4 Cost \$5.00

The studio has two ring saws. In this class you will learn to use the ring saw for difficult cuts. Glass is provided as well as everything needed to decorate a butterfly. Both stained or fused glass artists will enjoy this class. **Signup online Ed Jacoby**

October 7th 9 to 12 Tools and Small Circles Limit 6 Cost \$15.00

Prerequisite: Please have fused at least 4 projects. If you do stained glass, there is no prerequisite. Please bring the tools you own.

You will be introduced to many of the tools available in the studio and given the opportunity to practice using glass provided. Then, let us cut some small circles! You will create a final piece cutting a circle using the small circle cutter. Materials to make it your own will be provided.

Signup online: Deb Wehrung

October 9th 10 to 12 cost \$15,00 Limit 8

Making a Pendant using a metal casing.

Prerequisite: All members will enjoy this class. You will make a pendant and matching ear rings. The metal casing is silver. Helpful if you know how to cut a circle.

Byron Wolffig

Events

The Copper Center Task Force has been formed and is starting to work on collecting the requirements for the best use of the new and current space. A good way to stay informed on the project is to attend the meetings in person or by Zoom. Currently scheduled meetings are on Wednesdays at 10 AM in WC3 at the Welcome Center. This schedule may be changed as the project progresses. A separate email has been created to collect resident inquiries about the project:
